

The Food

As well as our menu meeting the national school food standards, it also meets the criteria for Food for Life, a national organisation that promotes a core ethos of healthy, tasty and sustainable food, meaning that you can be confident that:

- food does not contain any undesirable additives, trans fats or genetically modified ingredients
- the vast majority of dishes are cooked from scratch using unprocessed ingredients
- we only use free range eggs
- our meat is UK farm assured (Red Tractor) making it fully traceable and ensuring the highest standards of animal welfare
- our fish is MSC certified
- we use predominantly local suppliers

Special Diets

If your child has a special dietary need related to a medical condition, allergy or intolerance and you wish them to have a school meal, please provide a written request to your school from a doctor or dietician.

School Meal Price

The price of a school meal for pupils will be confirmed by your school.
