

- LEGEND:**
- Area to be ploughed, sereefed and cultivated prior to seeding. Emorsgate seed mix EM3 to be sown immediately after woodland planting. Green line indicates woodland area to be fenced using stock fencing. See fencing drawing LS000187/005
  - Existing tree to be retained. Approximate locations indicated
  - Proposed tree. To be provided by others
  - Proposed native hedge planted at 5 plants per m in a double staggered row with feathered trees at 15m centres
  - Proposed native woodland planting with mulch mats at 2m centres
  - Existing planting to be retained. Approximate locations indicated
  - Proposed stock fencing to hedgerow
  - \* Proposed single leaf pedestrian gate
  - \* Proposed double leaf vehicular gate
  - \* Potential gate to be installed once planting has become established

Note: Shrubs to be planted on the outer woodland margins to enable height grading. Precise planting arrangements within woodland blocks to be finalised.
