

16. Tinted Windows :

16.1 As from and including **1st December, 2022** the Council's specification relating to the use of tinted windows in Licensed Vehicles is as follows, :-

- (a) The windscreen is to have a minimum light transmission of 75%;
- (b) All other front windows are required to have a minimum of 70% light transmission;
- (c) Beyond the B pillar only vehicle manufactured body tinted glass will be permitted to be used. The tinted glass must be part of the whole vehicle design when produced and pre-registered for that model and specification. In the event that such glass is required to be replaced for any reason, then it must be replaced with glass that is equivalent to the originally fitted vehicle manufactured body tinted glass;
- (d) No tinted glass whether manufactured, or otherwise will be permitted to be added to a vehicle retrospectively following vehicle manufacture completion; and
- (e) No retrospective tint application, or film will be permitted to be applied to vehicle glass under any circumstances.

16.2 For Conditions attached to limousines, novelty and executive vehicles, please see **Appendix 10**.
