

- Notes**
1. This drawing shall only be used for the design element stated in the drawing title and shall be read in conjunction with all other relevant contract drawings and documents.
 2. All dimensions shown on this drawing are in metres unless stated otherwise.
 3. All setting out is to be agreed with the Engineer prior to construction.
 4. Prior to construction, the contractor shall verify the presence and location of statutory undertaker's apparatus on site. All services, manhole covers, gullies and the like shall be marked on site using appropriate means. The contractor shall be responsible for maintaining these markers throughout the duration of the project.
